## SHIPPING GOODS TO ITALY

Shipping goods to Italy is a perilous business as customs may block them and request complicated paperwork. We strongly discourage studio resident artists from shipping to Venice items such as shampoo, medicines, vitamins, health supplements, as they will all (almost certainly) be checked. Regretfully, the Scuola is unable to provide assistance in dealing with customs in this regards.

## NON DISCRIMINATION POLICIES

The Scuola welcomes in its studios artists of all genders, ethnic groups, political and sexual orientations, physical abilities.

## YOUR ART-WORK

All our studio resident artists are requested to donate a minimum of one art-work produced during their residency to the Scuola Internazionale di Grafica print collection.
